SHRI K.M. SAIFULLAH:

Will the Minister of LABOUR be pleased to state:

(a) whether Government's attention has been drawn to the news-item which appeared in the 'Statesman' dated the 12th October, 2001 under the caption "Sharad Jolt to labour reforms";

(c) the report of the Committee of Secretaries in the matter; and

(d) the action taken or proposed to be taken to amend the relevant Acts?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI MUNI LALL): (a) Yes, Sir.

(b) to (d) Review/updation of Labour Laws is a continuous process in order to make them in tune with the prevailing situation and emerging needs. Taking into consideration the emerging global economic situation and particularly after the introduction of new economic policy in 1991 by the Government of India, the need has been felt to make amendments in certain labour legislations so as to bring them in tune with the market oriented economy giving the domestic industry a level playing field to face the global competition. The Government have also set up the Second National Commission on Labour on 15.10.1999. The Commission would *inter-alia* take into account the emerging economic environment involving rapid technological changes, globalisation of economy, liberalization of trade and industry, emphasis on international competitiveness and also the need for bringing the existing laws in tune with the future labour market needs and demands. The report of the Commission is expected by 15.02.2002.
